Call Reports must be prepared in accordance with the appropriate instructions contained in the Federal Financial Institutions Examination Council booklet entitled “Instructions—Consolidated Reports of Condition and Income”. The report forms, the instructions for completing the reports, and the accompanying materials will be furnished to all insured state nonmember banks (except District banks) by, or may be obtained upon request from, the Call Reports Analysis Unit, Division of Supervision, FDIC, Washington, D.C. 20429.

(b) *Submission of reports.* All insured state nonmember banks (except District banks) shall file their completed reports by the method and with the appropriate collection agent for the FDIC as designated in the materials accompanying the report forms each quarter. Completed reports must be received no more than 30 calendar days after the report date, subject to the timely filing provisions set forth in the “Instructions—Consolidated Reports of Condition and Income” and in the materials accompanying the report forms each quarter. Any bank which has or has had more than one foreign office, other than a shell branch or an International Banking Facility, may take an additional 15 calendar days to submit its Call Reports. A bank using any of these additional 15 calendar days to complete its reports is required to submit its reports electronically.
